Type of Online Directory Listing

Basic—Company name, address, phone, fax, e-mail address AND either website or Facebook page.....FREE

Enhanced—Company Logo with embedded link to your company's web site, Company name, address, phone, fax, e-mail address, web URL with link to your company's web site, map showing location of your business, brief description of business and hours of operation. Receive quarterly updates to let you know how many online referrals the Enhanced listing has generated for your business.....\$50/yr

Online Directory Category Sponsorship

Your business or organization is now able to become a category sponsor in our online member directory. Sponsors will have a business card sized advertisement with an embedded link to your company's web site at the top of the category in addition to your existing directory listing. Since directory listings are shown in alphabetical order, being a category sponsor is a great way to get noticed at the top of the page!

Category sponsorships are \$30 per quarter (\$10/month) for businesses with a Web or Enhanced Online Directory Listing and \$45 per quarter (\$15/month) for businesses with a Basic Online Directory Listing.

The dues structure is set up on a yearly basis. Dues for members joining throughout the year who wish to pay only through the end of the calendar year will be prorated at \$15.40/mo. for businesses with less than 10 full-time employees. Individual and non-profit memberships will be prorated at \$5.13/mo. If you own more than one business, additional Chamber memberships are 1/2 price.
